Sermon for October 23

A note from Pastor D.J.

As you look over the devotions this week, you might notice that the devotions are flowing from the sermon that was delivered this past Sunday rather than to the sermon that will be delivered this Sunday. That's because we have decided to change our devotions philosophy using the sermon as a catalyst for biblical learning. It is our hope that the words you hear from the sermon will raise questions and inspire you to take a weekly journey through Scripture as you grow in your faith.
