- Compassion International Child -

Dorris Muhache Yaa is six years old and lives in Kenya with her father, mother, and three sisters. She is responsible for helping in the kitchen. Her father does casual labor, and the family farms for a living.

Playing ball games is Dorris's favorite activity. In kindergarten her performance is average and she also regularly attends church activities.

Please remember Dorris in your prayers. Your love and support will help her to receive the assistance she needs to grow and develop.

Children's offerings are designated for Dorris. Your children will be hearing more about how to write to and encourage.

Join-in our active children's program and share your love of God with the youngest members of our church family. Reap the smiles, hugs, and sure knowledge that you are growing God's Kingdom!
